Re: Solicitation # SCC 060008

To whom it may concern,

As the authorized insurance broker for Miller Brooks Environmental Group, Inc. this correspondence and certificate of insurance attachments will serve as compliance to the risk management and commercial insurance requirements outlined in Tanks Solicitation # SCC 060008, Arizona Department of Environmental Quality. Specifically, those requirements identified beginning on page 18, through 29; including listed items and Additional Insurance Requirements.

This letter will confirm the adherence to the specific lines of insurance, limits of liability, additional insured status and waiver of subrogation mandates illustrated in the insurance section of the solicitation. However, we make no representations to any other terms and conditions and potential insurance indemnification if the policies that may come under review as a result of an incident/s tendered to the insurance policy/s.

Best regards,

**Gary Martinez**
